

Sultana Parvin

Sultana completed her bachelor's degree in Physiotherapy at the University of Dhaka, Bangladesh in 2004. She has over 20 years of experience working in both hospital and community environments, and experience in the assessment and treatment of both simple and complex vestibular problems.

Between 2022 and 2023, Sultana attended the DizzyCare Clinic's Enhanced Vestibular Rehabilitation Theory and Practical course to build up a firm grounding in Vestibular Rehabilitation. She has additionally completed a level 7 Non-Medical Prescriber course (2019-2020) at Manchester Metropolitan University, as well as a Post-Graduation Diploma in Orthopaedic Medicine (Cyriax) (2006 - 2007) delivered by The European Teaching Group of Orthopaedic Medicine (ETGOM). In the near future, Sultana is planning to pursue a vestibular master's course and develop her career further in this field.
